

Good evening and welcome to the CR MOT Community Stadium here at The Lamb for tonight's Emirates FA Cup tie.

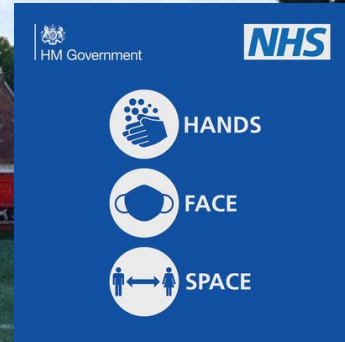

We would like to thank Footsteps Treatment Clinic for sponsoring tonight's game.

Tonight is the 100th time we have faced The Glassboys competitively, and we will undoubtedly be given a tough test this evening against our Pitching-In Southern League Premier Central opponents who started their campaign with a win over local rivals Hednesford town on Saturday and wish the officials, players and supporters of Stourbridge a safe journey home at the end of the match.

While you are at The Lamb please pay attention to signs and announcements relating to Coronavirus control measures we have in place such as Track and Trace and look out for hand sanitising stations. The use of face masks is not mandatory in all areas, but please take note of any stewards requests with regard to social distancing.

If scores are level at the end of 90 minutes the game will go straight to penalties to decide the outcome, so we hope you enjoy the game and we look forward to seeing you at our next match this coming Saturday (26 September) when we entertain St Ives Town, here, in a league fixture. Kick off is 3pm and gates open from around 1.30pm.
