FROM THE DUGOUT

Good afternoon and a warm welcome to The Lamb for this clash with Biggleswade Town.

We head into the game on the back of a 1-1 draw with Royston Town last time out. It was a decent point in the end from a game which I thought we controlled for long periods and were unlucky to fall behind in, conceding a soft goal. But I thought we were solid overall and it was just in the final third where a bit more creativity was needed. We perhaps needed more from our wide players to give new signing Jack Ryan a hand. I thought Jack was a positive to come from the game and we saw what he was capable of. He is an experienced lad, coming from Guiseley. He gets involved with the defenders and keeps them occupied. I thought he showed his strength on Saturday against a man mountain in Adam Murray. I was pleased with his debut and the signs he showed. I feel there's more to come from him as well.

Henri Wilder was outstanding too and if he keeps performing the way he does, who knows where it can take him. In addition, I felt Chris Cox had a fantastic second debut. He was brilliant in our box, winning headers and defending well and then, of course, went up the other end and was a danger, scoring with a fantastic header.

So where does the draw leave us? I think we are moving in the right direction. We have only lost the one league game and we are not that far away so there's plenty of time to claw those points back. Results have shown anyone is capable of beating anyone so right now we just want to stay in there. We have played three or four top teams already this season so it's good to get them out of the way without much damage.

We will look to build on Saturday's performance now and we should hopefully have a few bodies back. We will have Fordey (Aaron Forde) available for one and he's a key player for us, a good ball player and strong in the midfield, someone who makes us tick.

So he will add a dimension to our game and hopefully that's the last time he'll be out for a while now because it's important we have people of his calibre to call upon.

Dexter Walters should return to training this week as well. We'll have a look and see where he is after training, assess him and see where he is. He's someone who can excite the crowd and it'll be good to have him back in the squad.

We are not expecting an easy ride against Biggleswade this weekend. It's a match where we will have to dig deep and show some purpose and tempo to our game.

We want to make our ground a fortress where we don't concede goals and we win games.

It's been a decent enough start, two wins, three draws and a loss. We now just have to make sure we start firing on all cylinders.

Enjoy the game, Gary Smith

The game will take place next Saturday, 31 October, here at the CR MOT Community Stadium at The Lamb with a 3pm kick off. The game is ALL TICKET and you can purchase yours on line at our dedicated ticketing website.

It will see a quick return to

The Lamb for Jaanai Gordon who left last week and turned out for the Puritans at the weekend.

The prize fund for the round is; Winners receive £3,750, while the losers will receive £1,000.

WELCOME TO THE LAMB

Jack Ryan (pictured right) was one of two attacking signings made on the day before our game versus Royston, Jack. Previously with Guiseley, made his debut and nearly bagged a super strike in the first half only to be thwarted by visiting keeper.

Arum Soleman signed at the same time, from Bromsgrove Sporting and we would like to wish both all the best at The Lamb.

STONE THE CROWS!

The Man of the Match recipient last Saturday versus Royston Town was chosen by members of the press bench and they are pictured with their choice, Henri Wilder, who proved to be a popular winner on social media that evening.

CLUB NEWS...

Last Sunday afternoon the Tamworth Women's side, sponsored by BE Recruitment, took on fellow West Midlands Regional Women's Football League Division One North side Walsall Ladies in a league fixture here at the CR MOT Community Stadium at The Lamb.

Manager Ryan Hamilton was full of praise for his team who ran out 14-0 winners over the side that were promoted with his at the end of last season, having raced to an 11-0 lead at the break. Goals came from Olivia Woolston (4), Aimee Taylor (4), Ella Spears (2) with one each from Becky Milner, Lily Smith, Grace Dickens and one from captain Natasha Rothery.

You can watch the highlights and post match interview with Ryan on our YouTube channel and there is information on our official website about the Women's side.

The Women are now on their travels until mid November, but are scheduled to return home on Sunday 22nd for four consecutive Sundays, entertaining the Coventry City and Stoke City ladies sides of amongst others. Look out for more details on social media.

Thanks to Richard Walker for the photograph of the team talk after the game, below. Richard also took the photo on the cover of today's programme last weekend of the men's side versus Royston Town.

CLUB NEWS....

Moving to a Cashless Stadium

The Covid pandemic has seen many changes to the way we go about our daily lives. One area that has changed quite drastically is our use of cash. There are now many places that will only accept the use of a card or your mobile device in order to reduce the spread of the virus. It is no different for us here at the Lamb, however, with the guidelines that have been enforced on us to enable a maximum of 600 supporters to return to the Lamb, there is plenty of work for us to do.

The technology required to enable a totally cashless stadium requires an online ticket portal, a high quality broadband connection and point to point wifi across the ground linking the offices, advanced QR readers at the turnstiles, offices, community areas and card readers.

We have made the first move with the online ticket portal. This provides supporters with the convenience of purchasing tickets in advance to secure their place at the game and also ensure the club has all the details required for the Government's track and trace programme. It is our intention to open a matchday ticket office, hopefully this weekend, and once we have completed the installation of the new technologies we will we will be selling tickets and asking supporters to install the NHS, or our own, app or supply their details to ensure track and trace.

Card payments will then also become the preferred payment method for the VIP lounge, clubhouse and food outlets around the ground.

Buying tickets online is a simple process at <https://thelambs.ktckts.com>

Purchasing match tickets takes less than 2 minutes, with e-tickets delivered in PDF format via email, which you can either print off and just use your smartphone for scanning at the turnstiles.

You will need to create an account on the ticketing portal to purchase your tickets

If purchasing a ticket on the site on behalf of another family member/friend etc. after clicking on ASSIGN ATTENDEES, then click on EDIT DETAILS to provide the name of the person using the other ticket for track and trace purposes.

After clicking CONFIRM & PAY you will have one final chance to check everything is in order before making your credit or debit card payment.

After completing your ticket purchase, you will receive an order confirmation by email, quickly followed by the tickets on a separate e-mail as a PDF attachment, both sent from BOX OFFICE. Either print the tickets off or download the match tickets PDF to your smartphone and present it at the turnstile.

We will keep supporters updated via the program and website about our continued move to a cashless stadium. The new broadband system will also bring match day benefits for supporters too - watch this space for future announcements!

A massive thank you to everyone who contributed to our new floodlight fundraising scheme over the summer:

FORDE FOCUS

Aaron Forde has seen red twice this season.

But the combative midfielder insists the only time he wants to see red in future is the colours of Tamworth at the top of the Southern Premier Central League.

The Lambs are set to welcome back the central midfielder from suspension for today's home game with Biggleswade Town.

And he says he can't wait to get back involved.

"It has been a mad start," said Forde, who was sent off on the opening day of the season against Peterborough Sports, followed by the clash with Bromsgrove.

"I found both sending offs frustrating. The first one was late but there was no intent to hurt the lad and the referee even said after the game he'd seen the pictures and it wasn't that bad.

"And the one at Bromsgrove, I didn't even say anything bad and it was a disappointing decision.

"But it's done now and I just want to try and get a run of games under my belt.

"I'm looking forward to getting back out there on the pitch."

Forde admits the opening weeks of the season have felt very different but he hopes the squad can find some consistency moving forward.

"It's been a strange start to the season but it has been at all levels of football," he said.

"Clubs have struggled to get back into the swing of things during the pandemic.

"Even in The Premier League you have seen some mad results and it has been the same all the way down.

"The impact Covid19 has had on the game has been massive and teams have struggled to get a settled squad and a lot haven't known whether they have been coming or going at times.

"We have had our own injuries so it's been a mis-match start to the season so hopefully we can properly get in the swing of things soon.

"We have picked up some good results and on the whole we have not done too badly considering the lack of time we have had on the training ground.

"Hopefully we can kick on now. I'll be honest, I don't look at the league table at this stage of the campaign.

"I just want us to keep chipping away, putting some points on the board and then we can look to push on after Christmas."

NON LEAGUE NEWS.

with Mark Maybury

Now we are a few games into the season it is a good time to have a look at how the early season is taking shape.

Coalville Town have made an unbeaten start to the season and on Saturday, they hammered our Buildbase FA Trophy opponents Banbury United 6-1, this despite going a goal down early on in the game scored by Henry Landers. Jake Eggleton grabbed the equaliser after 27 minutes and 3 minutes later, Tim Berridge put Adam Stevens' side in front. Luke Shaw added a third for the hosts just past the hour-mark but Banbury suffered a blow as they had goalkeeper Jack Harding sent-off in the 64th minute for dragging down Kalern Thomas. Substitute striker Ricky Johnson took over in goal but couldn't prevent Billy Kee from converting the resulting penalty. Kee bagged his second and Coalville's fifth after 73 minutes and Connor Smith made it 6-1 with 11 minutes remaining.

With Redditch United losing, Needham Market are now the only other team in the division with an unbeaten record after beating Bromsgrove Sporting 3-0 at Bloomfields. Callum Page put the Marketmen ahead after 37 minutes and doubled his and his team's tally 8 minutes into the second half. Will Hunt made the game safe with the home side's third after 68 minutes, although they did finish with ten-men after Callum Sturgess was dismissed for two bookable offences.

Redditch became St Ives Town's second victims of the season to date, losing 3-1 at Westwood Road. Things could barely have begun worse for the visitors when they had Kieren Donnelly sent-off with a straight red card in only the 3rd minute. However, former Lamb Jordan Clement put Redditch ahead after 21 minutes. The Saints pulled level after 35 minutes with a penalty converted by Marc Richards, then 9 minutes into the second half, Nathan Hicks gave the hosts the lead. Fifteen minutes from the end, a second for Hicks sealed victory for St Ives.

Barwell won their first game beating neighbours Nuneaton Borough and leaving them, Leiston and Royston Town as the only teams now yet to taste victory in 2020/21. Visitors Nuneaton took a 27th minute lead through William Edjenguele. However, the afternoon turned sour for the scorer when he received a second yellow card and was sent-off in the 42nd minute. Jahvan Davidson-Miller equalised immediately after half-time and on the hour-mark, the numbers on the field were also even when Barwell's Jac Redhead was dismissed for a second booking. Just as it looked as though Boro would go back across the A5 with a point, Kai Williams fired home from a narrow angle to win it for the Yellows.

Leiston are still looking for their first league win after going down to a 4-1 home defeat to Peterborough Sports. Mamadu Sani gave the visitors a 14th minute lead that Jamie Eaton-Collins cancelled out after 38 minutes. But the visitors took control with two goals just before half-time from Josh McCammon and then Jordan Nicholson. In the 58th minute Nicholson bagged his second and Sports' fourth.

Royston amazingly made it five draws in their six games with a 1-1 stalemate here at The Lamb. After a goalless opening half the Crows broke the deadlock through Brandon Adam and Chris Cox equalised just shy of the hour-mark and Royston held firm to record another draw.

Kings Langley have only won once to date and have now drawn four games after a goalless outcome at the War Memorial Athletic Ground against Stourbridge. AFC Rushden & Diamonds, who Tamworth travel to on Tuesday evening, moved up to fourth in the embryonic table after a 2-1 win at Hayden Road against managerless Hednesford Town. After a quickfire start during which Diamonds hit the crossbar through Chris Wreh, Jesse Akubuine was brought down for a penalty which Lorrell Smith converted in the 16th minute. Diamonds doubled their lead through Luke Fairlamb after 69 minutes, but Dan Sweeney made it interesting when he pulled one back for the Pitmen with 14 minutes remaining. However, they were unable to find a leveller.

Hitchin Town and today's visitors Biggleswade Town recorded their second wins of the season The Canaries of Hitchin got off to a great start at Stratford Town when they were awarded a penalty in only the 3rd minute when visiting keeper Tyrell Belford brought down Alex Marsh in the box, but Belford made amends by saving the spot kick. In the 12th minute Luke Brown gave the visitors the lead and then right on half-time, Marcus Gouldbourne doubled the Canaries advantage. Stratford improved in the second half and reduced the deficit through George Heaven after 67 minutes. Two minutes from time, home nerves were showing after they had Ben Walster sent-off for an off-the-ball incident, but they managed to hold on.

Biggleswade Town fell behind at home to Alvechurch after 16 minutes through Kyle McFarlane. However, a penalty given for handball and converted by Joe Neal pulled the Waders level and they scored what turned out to be the winner through Jonny Giles.

The game at Crown Meadow between Lowestoft Town and Rushall Olympic finished as a 1-1 draw. The Trawlerboys got off to a good start with a goal inside 5 minutes from Adam Tann. The Pics had it all to do, and when they had Tyler Little dismissed on 77 minutes for a second yellow card offence, it looked all over – until new signing Sam Mantom earned them a point.

TODAY'S VISITORS.

Biggleswade Town were originally formed as Biggleswade F.C. in 1874 and began by playing friendlies. They became one of the founder members of the Biggleswade and District League in 1902/03 and won the championship at the first attempt. The successful season was climaxed by winning the Bedfordshire Senior Cup - the first of eight victories so far in the competition. The 'Waders', as the club are known, first entered the FA Cup in 1904.

Chris Nunn became manager in 2006 after a very poor start to the season saw the team heading for certain relegation. By February 2007 the team had made up a lot of points but were still bottom of the Premier table. The team avoided relegation on the last league day of the season. The winning of the NBC Cup in the very last match of the campaign reinforced that optimism. The 2007/08 season saw the squad develop further with new signings and for the first time in 15 years the club found itself top of the division at one point. A final position of third was a result of hard work and changes gradually moving the club forward. As the 2008/09 season beckoned, the new Stadium was ready for occupation and the seasons in the 'wilderness of ground sharing' were over. For the first time in the club's 134-year history, it finally had a home of its very own.

The Waders' first season (2009-10) at Step Four proved a tough start but gradually the team strengthened and finished in a comfortable 12th place with the team taking points off every side that season except Bury Town and Hitchin Town who finished first and second respectively.

The 2010-11 season saw the Waders climb to their highest ever position in the football pyramid, finally finishing in fourth place and with the resultant position in the play-offs. Waders travelled to third place Daventry Town, a team they had previously beaten both home and away in the regular season. Football being football, Daventry ran out easy winners ending Waders hopes of promotion.

The following season saw the Waders fade as the campaign progressed. Having topped the league early in the season, injuries and suspensions took its toll and the season finished with a top half finish just outside the play-offs. Winning the 2012-13 play-off final secured a place in the Southern League Premier, was upstaged by the best-ever season in the club's 140-year history, finishing ninth in our first Premier season and reaching the First Round Proper of the FA Cup, losing to a well organised Stourbridge side. The season ended with Waders beating Luton Town to lift the County Cup.

The Waders began establishing their Premier status and went on to achieve their highest points total in 2016-17, finishing just outside the play-offs in a creditable seventh position

The 2018-19 campaign proved a success for new manager Lee Allanson and his new squad. Winners of the Beds senior cup, they also finished seventh in the Southern Central Premier division, narrowly missing a play-off place.

Following a disruptive 2019-20 season including the loss of Lee Allanson and most of the squad to Hendon, Waders appointed former manager Chris Nunn in caretaker role to see the season out. He was re-appointed full-time manager for the 2020-2021 season, bringing in Scott Davies and Russell Short as assistants with the Waders looking to enjoy a positive campaign.

IN OPPOSITION.

Kyle Forster: The goalkeeper started his career with Luton Town and had spells playing for Kings Langley, Bedford Town and Barton Rovers. An excellent shot stopper and kicker of the ball.

Jake Kerins: Signed last year from St Neots. A young promising full back with a great willingness to learn, Jake can also play centre half on occasions. Had spells for Bury Town and Kings Lynn.

Tommy Boxer (pictured): A commanding centre half who is comfortable on the ball. Previously captain at St Neots, Tommy's former clubs include Ware Town and Potters Bar.

Russell Short: Started his playing days at Ipswich Town before moving to Histon and Bury Town. He has also played for Hendon, Biggleswade Town and has more recently had spells with St Neots and Needham Market after a lengthy spell out with injury. With more than 400 games, Russell adds vital experience to the group.

Jordy N'Gathe: The 22-year-old previously played for Oxford City and Banbury United and plays right back. Power and pace are Jordy's best attribute and he offers an attacking threat.

Matthew Hall: Right sided centre half who can also play midfield. Came through the Watford Academy before a brief spell in Scotland with Ross County.

Kane Farrell: Left back in his first season at the club. He has good pace and distribution. Previous clubs include Kings Langley plus Wingate and Finchley.

Jamal McEwan: He joined in late September and is a young confident midfielder who is comfortable on the ball with a hunger to get the ball back when he hasn't got it.

Scott Davies: A former Republic of Ireland Under-21 international, the midfielder came through Reading's academy. He had spells at Aldershot, Wycombe Wanderers, Bristol Rovers and Yeovil as well as Crawley Town and Oxford United. He played more than 200 games in the Conference South for a number of clubs before signing for the Waders this summer.

SUPPORTERS CLUB NEWS

Good afternoon everyone we hope you are well and in good health, staying safe.

We would like to welcome everyone from Biggleswade Town and hope you enjoy your time here with us at The Lamb.

We had our monthly committee meeting last week in which we talked about the coaches and we have decided to cancel all transport for the foreseeable future due to Covid-19. It was a hard decision but, at the end of the day, we have done it for everyone's safety. For fans who want to go to an away game, we will see what we can do, moving forward but I hope people understand our decision.

We did a draw for two tickets to the Biggleswade Town game today. Well done if you were picked out of the hat. Please look out on our Facebook page for future winners.

We are also looking at setting up a new Supporters' Club Twitter page so please looking out for it over the coming months.

We are still looking for two more committee members to join our team. If you are interested please email tfsc@mail.com

Committee members are

Chairman: Scott Farrington

Vice Chairman: Graeme Phipps

Secretary: Sam Kinson

Treasurer: Dave Brown

Members: Chantelle Wynn, David Bott, Jack Smith, Andy Jones

Membership:

There is still time for fans to renew Supporters Club membership or become a new member. Fees are £10 for adults, £5 OAPs and £2 for under-16s and members get 10% off in the club shop throughout the season.

To renew or become a member of the Supporters Club please contact Dave Brown.

Enjoy the game, stay safe, protect yourself and others.

We look forward to seeing you again very soon.

TEAMBUILDER

Hello everyone and welcome to our latest update on the TeamBuilder fund.

We hope you are all keeping safe and following the Covid rules for both your safety and the safety of others. The pandemic has caused everyone a few headaches and problems with regard to fundraising and Team Builder is no exception.

We have not managed to hold our Annual General Meeting yet and therefore not been able to create a new committee to oversee the fund.

Nevertheless the present committee, which comprises; Clive Tomlinson, Dave Gould, Jim Beestone, Andrew Turland and Teresa and Brian Whitehouse, continues to operate the fund and we continue to support the First team management team with additional funds.

We have had a few new members join us since March which is good news but we were all saddened to hear of the passing of our dear friend Chris Bradshaw. We are sure you all miss such a wonderful guy who was a great supporter of many aspects of club life, including Team Builder.

We are continuing to ask you the fans of Tamworth FC to join us in supporting the managerial team. You can do this in 3 different ways

1. Set up a standing order via you bank for £10 a month
2. Make a one off donation to the fund by cheque or cash
3. Make a bank transfer to Team Builder – you will need the funds bank details to do this and they can be obtained by phoning 07973713494.

Finally, we would like to thank all of our contributors who have continued to support the Teambuilder fund despite us through the lockdown and into this new season;
