WELCOME

MATCH DAY SEVEN

A very big welcome to the CR MOT Community Centre at the Lamb tonight for this Preliminary Round Tie in the Southern League Cup against Coalville Town. In fact it is a second welcome of the season to our visitors from Coalville. The teams have already shared the points in a league encounter a few weeks ago in a 1 - 1 draw.

The Southern League Cup has a long history with the very first winners of the competition being Plymouth Argyle in 1933. The last time the competition was completed before the pandemic was in the 2018-19 season when Stratford Town won under the leadership of a certain Tom Baillie. No doubt Tom would like to see more success in the competition this season!

Ironically in the same season Tamworth were drawn at home to play tonight's visitors Coalville Town, on 4 Sept 2018. A crowd of 332 witnessed the Lambs run out 6 - 0 winners with goals from Lait (2), Wright, Waite(2) and Asante. In the next round Tamworth were drawn at home to Coleshill Town and went out on penalties after the tie finished 1 - 1 at the end of 90 mins.

Both teams enjoyed success in the Emirates FA Cup on Saturday. While Tamworth enjoyed a 3 - 1 success over Alvechurch (with goals from Tyrell Waite, Dan Creaney and Orrin Pendley), Coalville Town won 5 - 2 over league rivals AFC Rushden and Diamonds. For those that did not see the Emirates FA Cup draw, Tamworth have been drawn to play Belper Town away at Christchurch Meadows on Saturday 18th September.

There may be 3 new names on the team sheet this evening. We welcome 16 year old academy player Callum Griffin, French midfielder Louis Augustin Malandjou Kondjo who signs from Welsh Premier outfit Caernarfon Town. We are certain fans will give these players a warm welcome.

Following tonight's game Tamworth face two difficult away games and it will be great to see as many fans as possible travelling to support the boys in red. A coach will be running to St Ives on Saturday, with departure from the Lamb timed at 11.00am. If you wish to travel then please contact Dave Brown after 5.45pm any night on 07971 001078. The price is £5 for members and £12/£7 for non members of the Supporters Club. Membership can be purchased on the coach which provides reduced price travel to away games.

After our visit to St Ives, it is another long trek, this time to league leaders Peterborough Sports on Tuesday 14 Sept (KO 7.45).

We trust that we will witness an enjoyable game of football this evening.

TAMWORTH FC 3-1 ALVECHURCH

FA CUP FIRST QUALIFYING ROUND

Alvechurch got the game underway and both sides worked hard to move the ball around the pitch in the opening exchanges. Yates struck from distance and cleared the fence behind the Castle End on 6 with his right footed effort, and when the ball fell to Waite on 7 his low curling shot was easy for Jezeph to gather.

Creaney forced Jezeph into a near post save on 9 and from the corner Waite beat Jezeph with a sliced, looping shot from 12 yards which went over the diving keeper (1-0, 9 mins)

The Lambs were enjoying the lion's share of possession and on 15 Forde nearly completed a move into the box after a drag back from Beswick but his shot curled past the target from the left of the area.

Beswick's ball to Creaney was perfect for the flick on to Concannon on 22, but an Alvechurch defender clear his lines quicker than The Lambs midfielder could get his shot away and from the left sided corner Creaney headed wide of the near post much to the annoyance of the marksman. There was a break in play around 26 when Beswick required treatment on the field and was OK to continue a few minutes later. Pendley got in the way of a powerful shot from MCLintlock on 30 and on 33 Hart was booked for pulling Kinina back as he tried to run onto the through ball out of defence towards the half way line.

Waite as upended as he went through down the left, but the referee played on as a corner resulted and Concannon's 35th minute left sided flag kick deflected behind for another on the right.

This time Beswick took the deadball and Wards header looked goalbound but it was cleared off the line at the far post by McLintlock. There was a call for handball when Concannon fired a shot after a jinking run, into the box and it rebounded quickly up onto an unsuspecting defenders limb on 37. Wilder was adjudged to have brought down Yates as he took a step into the area on 43 giving Dwyer the penalty at the Castle End and it was saved expertly by Singh with a low dive to his left to push it out for a corner. And in the next move Dwyer put the ball into the back of the net from close range after a cross from the left, but that was ruled out for offside by the linesman's flag. Hart was unable to continue in added time at the end of the first half and so was replaced by Yeomans.

Forde's deep cross from the right on 50 was headed on target by Creaney, but Jezeph was equal to it shortly before the whistle blew for half time.

Tamworth restarted proceedings attacking the Castle End but it was the visitor who went in search of an equaliser in the opening minutes and fired a shot from 25 yards high over the target after a spell of pressure.

A misdirected pass from Yeomans gave Alvechurch a corner on the left on 50 which was cleared, and on 52 Yates overhead kick was simple for Singh but reminded The Lambs to stay alert.

Waite was upended by Kinina on 53 to earn him a booking and from Beswick's freekick Creaney doubled The Lambs lead. His header from 6 yards struck the bar went up in the air and fell for him to follow up from close range with Jezeph unable to prevent him netting his eighth of the season. (2-0, 53 mins) Creaney ran through and shot for his second of the afternoon on the hour, but Jezeph was equal to it, while at the other end Dwyer forced Singh to protect his near post. Thomas was booked for kicking the ball away after a foul by Forde on the halfway line on 63.

Yeomans worked hard to win the ball back in the bottom right corner on 65 and a freekick was awarded when Sephton brought him down in the process. Beswick nearly beat Jezeph at his near post with a quickly taken freekick but the keeper pushed it round the post for a corner on the right which went out to Forde and his strike brought shouts from the home faithful, but there was no penalty, however the ball went back into the box and Pendley rifled it home from close range to extend the lead (3-0, 66 mins) After a couple of substitutions Ezwele forced Singh into a one handed save at full stretch to preserve the clean sheet but on 73 Yates did fire into the net from the right of the box, past Singh, to give Alvechurch a slither of hope (3-1, 73 mins)

A freekick on the right wing set up the visitors with a deadball chance on 76 and Hull had a free header which he planted powerfully against the post and the ball rebounded behind for a goal kick. Substitute Walters forced a corner on the left after beating his man twice in the process, on 81, and the ball fell to Clement on the edge of the area but he lifted his shot over the target.

At the other end, Ezwele fired wide of the goal with a diagonal right footed effort on 82 and then Waite struck from 25 yards on 84 but was off target. A surging run from Yeomans on 86 saw him advance into the box and cut it back for Creaney who fired on target, but he was prevented a second goal of the afternoon by what looked like a deliberate handball from the Alvechurch man on the line, diving to his right, but with his arm by his side, however no penalty was awarded.

Walters forced another corner with a blocked drive on 88 and he received the ball back before setting up Waite but his goalbound effort was blocked. Four minutes added time was shown at the end of the game and Tamworth kept the ball in the Alvechurch final third, forcing another corner. Walters and Ward picked up a booking each as the minutes ticked down.

THE CHANGING FACE OF THE LAMB

Since the start of last season there have been some big changes at the Lamb which you can't help but spot. The 9 ageing and second hand floodlight columns have been replaced by 4 brand new state of the art LED floodlight towers. The lights are brighter and cheaper to run, and with the facility to dim them, they are suitable for use in a number of different situations.

Another major change is the investment in the clubhouse, identifiable by the refurbished roof and a redeveloped internal space following considerable damage caused by the winter weather. All in all just over £250,000 has been invested in the ground with a substantial amount provided by grants from the Football Stadia Improvement Fund and the generosity of supporters and backers of the club.

Since 2016 the Lamb has moved from a facility that was used two nights a week and a Saturday afternoon to a seven-days-a-week all year-round operation. The club has grown from one competitive team to 25 teams ranging from under-7s to the first team. There is also a full-time scholarship programme for 60 students aged 16-19. A women's section has been introduced with junior and adult teams. As a result, Tamworth FC is now the largest multi-team football club in the area with our academy in a partnership with Derby County.

The Football Stadia Improvement Fund (FSIF) is the largest funder of non-league football in the country. The FSIF is the sister organisation of the Football Foundation and is solely funded by the Premier League. It is the country's largest provider of grants towards projects that help improve the comfort and safety of lower-league football grounds in both the professional and amateur game. These improvements range from new football stands and turnstiles to flood-lighting and improved provision for disabled supporters.

We are grateful to the following supporters who have given generously to support the developments at the ground Mario Gouci, Gordan Hargrave, Martin Leckie, Jim McCarthy, Tom Pegg, Jack Smith and Andrew Turland.

COALVILLE TOWN

Coalville Town Football Club were formed in 1926 as Ravenstone Miners Athletic. They were the latest in a long line of association football clubs from the village of Ravenstone - Ravenstone Druids being one of the founder members of the Leicestershire and Rutland County Football Association in 1887. The Ravens played most of their football in the now defunct Coalville & District Amateur League, winning numerous honours including the Division One title on five occasions and the Junior Cup Northern Section on two occasions. Perhaps their greatest triumph came in 1953, when they won the League Championship and the coveted Coalville & District Charity Cup.

When the league folded in 1975, they made the logical move to the North Leicestershire League with equal success. In 1976/77 they were runners-up in both the Premier Division and Cobbin Trophy. They won the Junior Cup in 1985/86, the League Championship in 1989 and the double of Championship and Cobbin Trophy a year later. The Ravens were rewarded for their success on the pitch with election to the Leicestershire Senior League in 1991, following the construction of a new club house at their Ravenslea home. They adapted well to the higher level of football and never finished outside the top half of the Division One table.

The ambitions of the village club far exceeded those of the parish council and, following the council's refusal to grant permission for floodlights, Glyn Rennocks was instrumental in uprooting the club and moving it to Owen Street, Coalville. A change of name followed to Coalville Football Club - with the club becoming the first senior side in the town since the demise of Coalville Amateurs in 1954.

The club commenced their first season as Coalville in 1995/96. Floodlights were installed prior to the 1996/97 season and, after a slow start to the campaign, the first eleven went on to finish as runners up in Division One and gain promotion to the Premier Division. Strength in depth was a major factor during this season with the second eleven going on to win the Leicestershire Combination League Division Two.

The introduction of manager Lee Harriman for the 2001/2002 season heralded the most successful period in the club's history. Having led the side to back-to-back Senior League titles, Coalville finally made the step up to the Midland Football Alliance for the 2003/04 season. The 2002/03 season also saw the Under 18s, led by Dan Gallacher, clinching the FA County Youth Cup and finishing as runners up in the League Cup competition.

A new era, in a league as tough and prestigious as the MFA, may have seen many a team wilt at their first attempt. However, with a great start from the blocks, the Ravens hit the ground running and finished in a respectable 8th position.

With the emphasis for 2004/05 on finishing as high as possible in the league, with of course aspirations to clinch the title, the squad could have been forgiven for getting a little sidetracked by a certain cup competition - the FA Cup. With Coalville never being eligible for the competition before it was apparent that this would be an experience more than a challenge for the famous cup. However, try telling that to Lee Harriman and his squad. At their first attempt, the club reached the first round proper where they came up against Football League side Wycombe Wanderers, and only bowed out of the competition by a single goal. This was made all the more special as they started in the Extra Preliminary round and became only the second club in the entire history of the Cup to reach the first round proper from the very first stage. The cup run spurred the team on in the league and, helped by a 17 game unbeaten run, a highest ever finish of 3rd place was achieved.

Coalville began the 2005/06 season as many people's favourites for the MFA but an inconsistent campaign saw the Ravens eventually finish in 8th place. Away from the league Coalville enjoyed a memorable Westerby Cup run which only ended with a 3-2 defeat in the final against Leicester City at the Walkers Stadium.

October 2006 saw Lee Harriman bring to an end his five year association with the Ravens and former Nuneaton Borough boss Brendan Phillips was appointed in his place. A difficult season for "The Bear" and Coalville ended with a disappointing 18th place finish and saw Brendan step down from the manager's post in the close-season.

Former player and fans' favourite Adam Stevens was appointed as manager prior to the 2007/08 season and soon set about restoring the Ravens' fortunes. After leading Coalville to eighth, third and second place finishes, along with a narrow League Cup final defeat, Stevens made sure 2011 was a year that will live long in the memory of all Ravens fans.

Coalville opened the season with a run of eight victories to underline their status as title favourites but were pushed all the way by Tipton Town with both teams ending the campaign on 100 points. It was Coalville's record-breaking goal-scoring record of 153 goals - exemplified by a final day 9-0 victory at Alvechurch - that made the difference as the Ravens clinched the title and promotion to the Northern Premier League. For most teams that alone would have been seen as a very successful season but Stevens had loftier ambitions and an outstanding run in the FA Vase saw Coalville book their place in the Wembley final with a 6-2 aggregate victory against Kings Lynn Town. Although Coalville were unfortunate 3-2 losers to Whitley Bay in the final the Ravens made many friends with their open, attacking football.

A season of consolidation followed in the Northern Premier League with a high turnover of players in 2011-12. The following season Coalville were top of the Evo-Stik Southern division for most of the season. This great form faltered toward the end of the season with results finishing mainly in draws and losses saw Coalville fall to second in the table behind Kings Lynn. Coalville went on to compete in the play off semi-final but lost at home to Chasetown. Chasetown went on to lose against Stamford in the final. The Ravens did have some consolation after lifting the Westerbury Cup beating Loughborough Dynamo 2-1 in the final at the King Power stadium.

Last following ended in the same way for Coalville but this time it was close all season with players coming impressing and being signed by clubs higher, manager Adam Stevens was really put to the test but continued to find the quality players to push Coalville to the top of the table. A home defeat to Gresley on Easter Monday handed pole position back to Halesowen who secured the title on the last day leaving again as runners up. This time Mickleover were the visitors to Owen Street for the players off and a 3-2 defeat left the raven following with that same feeling as the previous season, so near yet so far.... In the FA trophy Coalville had a memorable run beating several higher league teams such as Marine and Solihull Moors before drawing the previous seasons finalists Grimsby Town who were held to a draw at Owen Street before eventually winning through at Blundell park.

Manager Adam Stevens hoped to build on the positive aspects of the last two seasons but soon resigned as manager early on in the season, Jimmy Gray took over for a short spell in charge before Tommy Brookbanks joined from Loughborough with the task of steadying the ship. The Brookbanks era started off with a hard run of games and lots of injuries but the style of football Tommy was to bring to Coalville was soon evident and lifted the spirit of the Raven faithful. Off the pitch last season was a big year for Coalville as they continued to develop and improve as a club to match the progress of recent years on the pitch, the introduction of the youth development pathway and academy side will hopefully produce local talent for the first team in the near future. 2014-15 did see a county cup final where the Ravens lost out 2-1 to Barwell at Leicester City's King Power Stadium.

The 2015-16 started off as one of great optimism at Owen St. Tommy Brookbanks had put a squad together capable of challenging for promotion and they got off to a solid start and were never out of the top 3 since September. Acknowledged as probably the best footballing side in the league they were in touch with leaders Stafford, but a wobble in February and March left The Ravens looking over their shoulder. However, an impressive run in saw Coalville win the promotion play off final at big spending Shaw Lane coming back from being a goal down at half time before running out 3-1 winners following a stunning second half performance.

Despite being many peoples favourites for relegation The Ravens more than held their own in their first season at Step 3 and finished a creditable 16th Place in their first season in the league.

In the 2017/18 season Coalville had a tough start losing their opening three games but then went on to win the next 7 fixtures pushing them up 2nd in the league. Following that there were further runs of losses and victories but all in all was a disappointing league season with the club only just avoiding relegation. The Ravens did reach two cup finals where they defeated Loughborough Dynamo to win the Leicestershire Challenge Cup, but lost to Atherton Collieries in the final of the Integro League Cup. Following the season Manager Tommy Brookbanks left the club and he was replaced by Adam Stevens who joined for his second spell as Manager.
