2021-22 season - Matchday 38

We are delighted to welcome you to the CR MOT Centre Community Stadium at the Lamb today for this Pitching In Southern League Premier Central fixture between the Lambs and Alvechurch. In particular we trust that the players, supporters and officials of our visitors enjoy the hospitality offered to them today.

This is the third time the clubs will have faced each other this season.

Back in September the Church visited the Lamb for an FA Cup 1st Q Round fixture which Tamworth ran out as 3 - 1 winners.

We visited Lye Meadow for a league game in December and 'church gained the upper hand on this occasion with a 2 - 1 win.

Most of the attention this week has been on the departure of Gary Smith and Tom Baillie, following Andrew Danylyszyn's departure on Boxing Day. This brought to an end the reign of the '3 Amigos'. It was disappointing that the management trio, who have been part of the furniture for the past 3 years, were not able to bring the success their first two seasons promised. We thank them for all their hard work and wish them well for the future.

At the time of going to press, Scott Rickards and Robbie Banks have been tasked with looking after the first team on a temporary basis.

Scott is our Academy manager and well known to Lambs fans. He is a local lad and played for the Lambs between 2001 and 2003 and 2005 - 2006 clocking up 117 apps and scoring 28 goals, including the one that sent us to the FA Trophy Final! He has coached at Mansfield Town and Derby County and returned to work as a coach at the Lamb alongside his work at Derby in 2019. He has also managed Atherstone Town. Robbie is working as a coach in our Academy too. He is a very experienced non league player having played for the likes of Rugby Town, Coventry Sphinx and Chasetown. We are sure that supporters will give them a great reception this afternoon.

It is likely that our new manager will be announced during the week, so keep your eyes posted to the official Tamworth FC website and social media channels for the latest official news from The Lamb.

Tamworth Women are also under new management with Chris Wood at the helm and we wish him and his team every success. They are in action on Sunday when they visit bottom of the table City of Stoke Women

The next game for the Lambs men is a week today when we make the long trek to Leiston, hopefully with a new manager in place looking for a repeat of the early season FA Cup win and 3 points on our travels.

Enjoy the game

INTERVIEW WITH BOB ANDREWS

After a difficult few weeks with performances on the pitch going in the wrong direction, the Board had to make some difficult decisions regarding the management of the club. Lambs Media caught up with Chairman Bob Andrews on Tuesday afternoon to get his thoughts on the current situation and how plans for a new manager are coming along.

Before commenting on plans for a new manager Bob reflected on the past three years with the affectionately known 'Three Amigos'. "Gary and Andy got off to a great start and were enjoying a lot of success which is why we gave them the job on a permanent basis. We also brought Tom in to support them because of his past success at this level and his wide range of contacts with players that Gary and Andrew didn't have. "They created a great work ethic and the players gelled together well. Things were going great until the pandemic struck and we lost two seasons which I really believe would have seen us promoted. "Sadly things have not gone well at all this season and difficult decisions have had to be made because the position we find ourselves in the league is not acceptable. "We can't get relegated and it must not happen. "We are very grateful for all their hard work and commitment to Tamworth Football Club and they are welcome at the Lamb anytime."

With Andrew and Gary leaving it was always going to be hard for Tom to stay because a new Manager will want to bring in his own backroom team and players. So as the Board looks to appoint a new manager, what are the main requirements that they are looking for. "The first important job of the new manager is to make us safe, but next season our number one target is to get back into the National League North. The new manager must have experience of this level or higher and bring in the players that will get us promoted. We must get back to the National League North as a minimum requirement."

Ever since the news came out about Gary and Tom leaving at the weekend, Bob's phone hasn't stopped ringing with managers interested in the job. "I am keen to speak to them and find out what they know about the club and how ambitious they are. "Some of them know our club and what we expect already. "It's certainly going to be busy over the next few days as we decide who we want to shortlist and interview."

In terms of a timeline for an appointment Bob says that time is of the essence. "In an ideal world it would be great if we could have somebody in for the weekend, but that may not be possible. "We are very grateful to Scott Rickards and Robbie Banks who have offered their help while we get a new manager in. "They have a lot of experience and will look after the team well."

CLUB NEWS

Here's how the week panned out on the managerial front at The Lamb, as reported on www.tamworthfc.co.uk

THOMAS BAILLIE

On Monday afternoon we parted ways with Head of Senior Football Thomas Baillie. The decision was reached by mutual consent.

Tom joined the Lambs in the summer of 2019 to add experience to the management duo of Gary Smith and Andrew Danylyszyn. He joined Tamworth after leading Stratford Town to the League Cup final and a play off place in the 2018/19 season.

Before he joined the Bards he was a title winning Manager with Kettering Town. It looked like success would continue for Tom with the Lambs, however, the season was cruelly ended in March 2020 because of the pandemic. Last season was a similar tale, but sadly the success has not been repeated this season.

We are very grateful to Tom for all his hard work at the Lamb and we would also like to thank his wife Lisa who also leant a hand when needed behind the scenes.

Tom will be very welcome back at the Lamb any time and he leaves with our sincere best wishes for the future.

CLUB NEWS

GARY SMITH

24 hours earlier, following the loss at Stourbridge and a after run of results that has seen The Lambs fall into a relegation battle, Gary Smith left his position as Manager of Tamworth Football Club by mutual consent.

Since his appointment as joint manager with Andrew Danylyszyn in January 2019, the side was cruelly denied a promotion by the pandemic in 2020 and a good start to the 2020/21 season was also cut short due to the Covid pandemic.

Sadly things have not gone as well this season and following the departure of Andrew at the start of the year Gary has not been able to halt the downward spiral despite his best efforts. His managerial record over the past 3 years is P 107 W 58 D 14 L 35 - a win rate of 54.2%

Gary is a much loved member of the TFC Family and despite this being a disappointing announcement, Gary will always be welcome here at The Lamb.

He returned to The Lamb as manager of the Tamworth U21 side in July 2018 before stepping up to the first team role having previously played for Tamworth from 1995 until 2001 making 221 appearances, scoring 70 goals. He featured in the World Cup Qualifiers for St. Kitts and Nevis (pictured left) during his playing career here and older fans will undoubtedly also remember the games against Exeter City in the FA Cup as just one of the many highlights of his time with the club.

Gary fully deserves his recognition and status as a Lambs Legend and he leaves with our sincere best wishes for the future.

Lambs Media caught up with **Scott Rickards** on Friday lunchtime to chat with him about the game against Alvechurch and what it will be like to manage his hometown club. It has been a busy week for Scott as he is currently coaching Derby County U16s and 18s, as well as looking after the Lambs Academy and Commercial arm.

“Yes, it has been an interesting week, because with all my other commitments we have had the first team added on for a game! “As a Tamworth lad I have been watching from a distance and we need to get the club back where we belong. “Like the supporters I believed this was going to be the year for the first team to get over the line, but for one thing and another we find ourselves in a place we need to get out of.”

“I’m excited about the game because we have a fantastic group of players here. “Robbie and I have told the players what we and the supporters expect - and that is hard work, desire and to get their confidence back. “We have some exceptional players and these players do not become bad players, it is the environment they are in that can have an impact. “That environment has now changed so we expect the players to deal with it.”

Scott and Robbie have had two training sessions this week and Scott is really pleased with the way they have gone; “The lads have worked very hard, and they have enjoyed themselves. “They are disappointed in the position they find themselves, but as we told them they sign for the club and not the management, and they need to step up and show that they want to win for the club. “We are now in a position where we can go out tomorrow and pick up 3 points.”

There are a few players who will not be involved because of injury – Alex Jones, Dan Bradley, Ben Hart, and Jordaan Brown. Meanwhile Ahmed Obeng has chosen to leave the club and Lucas Yeomans is out on trial at a Football league club; “I am delighted for Lucas, and we have always said that as a club we will not stand in the way of players that we have developed progressing to a higher standard. “Lucas has worked hard and deserves his chance.”

Ben Bailey returns from suspension and Scott is pleased that he is available for selection: “I have known Ben for a number of years. “He is passionate, a no-nonsense defender, a leader, and an organiser – the type of player you need and all over the pitch. “Coxy has trained hard in both training sessions, and he will be available after missing last week. “We have a really good squad of players who will be ready to go out on the pitch.”

We wish Scott and Robbie all the best and know that the supporters will be fully behind them and the players as they go all out for victory.

THE CHANGING FACE OF THE LAMB

Since the start of last season there have been some big changes at the Lamb which you can't help but spot. The 9 ageing and second hand floodlight columns have been replaced by 4 brand new state of the art LED floodlight towers. The lights are brighter and cheaper to run, and with the facility to dim them, they are suitable for use in a number of different situations.

Another major change is the investment in the clubhouse, identifiable by the refurbished roof and a redeveloped internal space following considerable damage caused by the winter weather. All in all just over £250,000 has been invested in the ground with a substantial amount provided by grants from the Football Stadia Improvement Fund and the generosity of supporters and backers of the club.

Since 2016 the Lamb has moved from a facility that was used two nights a week and a Saturday afternoon to a seven-days-a-week all year-round operation. The club has grown from one competitive team to 25 teams ranging from under-7s to the first team. There is also a full-time scholarship programme for 60 students aged 16-19. A women's section has been introduced with junior and adult teams. As a result, Tamworth FC is now the largest multi-team football club in the area with our academy in a partnership with Derby County.

The Football Stadia Improvement Fund (FSIF) is the largest funder of non-league football in the country. The FSIF is the sister organisation of the Football Foundation and is solely funded by the Premier League. It is the country's largest provider of grants towards projects that help improve the comfort and safety of lower-league football grounds in both the professional and amateur game. These improvements range from new football stands and turnstiles to floodlighting and improved provision for disabled supporters.

We are grateful to the following supporters who have given generously to support the developments at the ground Mario Gouci, Gordan Hargrave, Martin Leckie, Jim McCarthy, Tom Pegg, Jack Smith and Andrew Turland.

With its enticing cuisine and impressive beverage selection, Turpins provides the perfect setting whether you're enjoying a drink at the bar or dining in our first-class restaurant

TODAY'S VISITORS

Alvechurch's full club history can be found on their official website, www.alvechurchfc.club and we take up the story from 1994.

The Resurrection

In 1994 a dedicated band of supporters resurrected the club as Alvechurch Villa, rebuilding the seated stand and refurbishing the clubhouse to gain admission to the Midland Combination Premier Division, finishing in fifth position in the league and beaten finalists in the Smedley Crook Cup. The team went on to reach the League Cup Final the following season, only to lose out to League Champions Bloxwich Town.

In 1996 the club reverted back to its original name and became simply, Alvechurch F.C.

The next few seasons were a struggle but the 2000/01 season ended with clubs first trophy since being reformed, when the Smedley Crook Cup was won.

Season 2001/02 introduced the management duo of Andy Hibbert and Neil Bryan, after a management and player exodus. The club struggled through the season, just escaping relegation finishing 20th. The board kept faith however and season 2002/03 witnessed Church's best season in 20 years with the League and Cup double, winning the Midland Combination Premier League and Challenge Cup, a feat last completed in 1971/72. At the end of the season, Church were promoted into the Midland Football Alliance.

The MFA years

In season 2003/04 the Worcestershire Senior Urn was won for the first time and then retained the following season.

Season 2006/07 brought further success when the Worcester Infirmary Cup came to Lye Meadow for the first time, which was then retained the following year 2007/08.

Season 2010/11 proved to be a tumultuous one – with three sets of managers running the first team throughout the campaign. Church's lowest MRA finish resulted in a run of poor results leading up to the end of the season could have seen the club in relegation trouble – but just enough points had been secured in the first half of the campaign proved sufficient to maintain league status.

2011/12 saw a new management team in place, with Graham Scott/ Vaughan Pearshouse taking over the hot seat. Finishing 13th, they reached the final of the Worcester Senior Urn, where they lost 3-2 to Bewdley Town.

2012/13 the club finished 11th, following the appointment of Dean Holtham as manager in September, and won the Worcester Senior Urn, defeating Pershore Town on penalties after drawing 1-1 after 90.

2013/14, the club finished 13th, after their best ever start to a MFA campaign and reached the 3rd round proper of the FA Vase before going out 1-0 to Westfields. The season also saw Dean Holtham leaving in early November, being replaced by Ross Thorpe as manager.

A new beginning - The MFL

2014/15 saw the Midland Football Alliance and Midland Combination Leagues merge into the newly formed, Midland Football League, with Alvechurch playing in the Premier Division. Ross Thorpe was replaced at the end of August by new manager, Lee Adams, who himself was replaced by his assistant Lee Knight in January 2015. The club finished a disappointing 15th.

2015/16 started with yet another new management team in place, with former Tividale, title winning management team of Ian Long and his assistant, Richard Colwell taking charge and bringing most of their squad with them from Tividale. The club amassed a record 101 points and 99 goals scored, finishing runners-up to phoenix club, Hereford F.C. The club also won the Worcester Senior Urn, beating Bromsgrove Sporting 3-0 in the final.

2016/17 saw the club finally win the Midland Football League Premier Division, beating Coleshill Town by six points with 92 points and took on Wednesfield in the final of the J.W. Hunt Cup at Molineux.

2017/18 saw the club promoted to the Northern Premier League Division One South and achieve back to back promotions, finishing runners up to Basford United and gaining promotion to Step 3 at the first attempt.

2018/19 with the re-organisation of Non-league at steps 3-4, the club competed in the new Southern League Premier Division Central. After finishing 4th, they beat Stourbridge 2-1 in the play-off semi-final, before losing to Kings Lynn Town 3-0 in the final. They also beat Redditch United pre-season, to claim the Worcester Senior Cup for the first time since 1977.

The Covid Years

2019/20 started under new management with Darren Byfield taking over after Ian Long took his staff and majority of the team to Stourbridge. Dean Holtham took over in November, but with only 4 league wins from 30 games, the team found themselves in deep relegation trouble, before Ian Long returned for 1 game in March. Covid-19 put a premature end to the season and saved Church from almost certain relegation.

2020/21 saw Church play only 9 league games before the season was again cut short due to the Covid pandemic.

2021/22 we are looking forward to getting back to normal and to continuing our proud history

THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

Article by David Richardson

IT IS not often a Non-League player will turn down the opportunity to sign for a Premier League club.

During the January transfer window Lewes talent Ollie Tanner was at the centre of a potential move to Tottenham Hotspur having also received a bid from Brighton & Hove Albion.

The Isthmian League Premier club had agreed in principle a deal with Spurs but the 19-year-old made a mature and brave decision to stay in East Sussex.

Tottenham had a frustrating transfer window – even manager Antonio Conte described it as “strange” – as seven players departed and only two arrived which will have dented their top four hopes.

Some of their supporters turned their dissatisfaction towards Lewes and Tanner on social media after the Step 3 club revealed the teenager had been unable to agree personal terms.

“The subsequent level of abuse on social media he and the club received was unforgiving,” Lewes chairman Stuart Fuller wrote in Sunday’s NLP. “Whilst many of them relayed the “facts” as they believed, or made up, we kept our council knowing that the attention would soon turn to another players and another club.”

Lewes have become accustomed to scouts from professional clubs coming to their matches to watch their players. Tanner is the latest example of a youngster that has been given a chance to continue their football career – and developed – at the Dripping Pan having been tossed out of the professional game by Arsenal and then Charlton.

Lewes manager Tony Russell is doing an excellent job along with assistant Joe Vines and head of recruitment Adam Drew since taking over last summer.

It says a lot about Tanner’s decision to continue playing first-team football at the seventh tier instead of in the top-flight where he might have only ever played U23 matches.

“I went with him to watch a Spurs U23 game and I think it made him think about what his career path would be if he went there,” Russell told the Sussex Express. “What he’s ended up deciding is that going straight from Step 3 of Non-League to a Premier League club would be a step too far.

“In some ways it could be seen as a dream move but think about it: What would be his chances of getting in their first team?”

That, is what some of those abusive Tottenham fans appear to have not considered. The 15-goal Tanner will have learnt more from Russell and co while playing competitive matches than he would have done in the cosy environment of the Premier League’s U23 league.

“What is certain is Ollie’s time will come,” added Fuller. “It may be this summer, it may be in 12 month’s time but there is no doubt he will play at a higher level in the game.

“Perhaps if some of those social media abusers watched football at our level on a regular basis they would be less forgiving and more understanding that is isn’t about money in the Non-League game.”

STOURBRIDGE 4 - 0 Tamworth

SAT 05 FEB - SOUTHERN LEAGUE PREMIER CENTRAL

Matchday 37:

The Lambs travelled across the Midlands to take on The Glassboys at The War Memorial Athletic Ground, a week after the home defeat to high flying Rushall Olympic.

Tamworth in 17th were welcomed by 13th placed Stourbridge for an early (2.30pm) kick off due to floodlight problems at the home ground and the travelling fans were hopeful that there could be a repeat of the (4-0 would be nice) victory over their hosts at The Lamb in October to get some much needed points on the board.

New signing, striker Eoin McKeown started in a side that had four changes from the previous weekend which was without Ben Bailey due to suspension following his straight red card against The Pics. The three other changes were Chris Cox, Ryan Bell and Callum Cockerill-Mollett out of the starting XI, with James Hurst, Jack Concannon and Dan Bradley coming in.

Stourbridge kicked off the game attacking the covered terrace end at the opposite end of the ground to the clubhouse and for the first 15 minutes it looked like either of the two sides could open their account, with The Lambs perhaps more likely, taking the game to Stourbridge.

Walters and Concannon worked the ball down the wings but Price was not really tested as right back home captain Vaughan marshalled his defence accordingly.

And it was Vaughan who unexpectedly turned provider for the opening goal of the afternoon with his cross from the right which got caught in the wind, dropped over Singh, struck the far post and rebound perfectly for former Lamb Styche to fire home from 8 yards out. (0-1, 14 mins)

Vaughan tried two similar attempts in the ensuing minutes and both times the crowd held their breath but there was no repeat or extension of the lead.

Five minutes later Styche was bundled over in the area by Bradley and took the resultant penalty himself, but Singh was in no mood to be beaten and dived to his right (Styche's left) and smothered the spot kick.

However, the home side doubled their lead on 34 when a corner from the left was nodded down and another former Tamworth player, Rowe-Turner, flicked the ball home from close range to double the lead. (2-0, 34 mins)

Bradley pulled up before half time forcing The Lambs into an early change in personnel, as Yeomans came in at right back and the side shuffled before the half time whistle blew.

HT 2-0

Tamworth restarted proceedings having made two changes but it was the home side that nearly hit the back of the net again as another ex-Lamb, Knights, called upon Singh to make himself unbeatable when he found the Stourbridge man coming at him and was able to get in the way of two separate, but very similar attempts.

Styche notched his second of the afternoon just past the hour to give The Lambs a seemingly insurmountable task (3-0, 61 mins) and Singh was called upon to deny O'Hanlon's goalbound strike late on as The Lambs were forced to play the last ten minutes of the game with only ten men when Brown went down, clearly dazed, and necessarily was unable to continue.

In added time at the end of the second half, The Lambs were unable to stop a fourth goal going in via substitute Moran's low finish which took a wicked deflection to take it past Singh and into the bottom corner (4-0, 90+2 mins).

Last Saturday's Action in the Pitching In Southern League Premier Central

Adam Stevens' Coalville Town edge out a now bottom Hitchin Town side 2-1. It was the Canaries who took the lead just past the hour-mark when Jake Hutchinson fired home. However, Coalville were on level terms within 3 minutes when Hitchin failed to deal with a corner and Eliot Putman netted from close range. 7 minutes later, the hosts took the lead when Tim Berridge volleyed home a Lee McGlinchey cross.

Banbury United were held to a 1-1 draw by Bromsgrove Sporting. The home side got off to a great start when Jay Williams headed them into an early 6th-minute lead. Sporting's Charlie Wise hit the post on 63 minutes and 2 minutes later, Toby Raison netted the equaliser following a free-kick.

Rushall Olympic are three points behind Coalville in third after ending AFC Rushden & Diamonds' recent good run with a 2-0 win at Dales Lane. The deadlock was broken just 5 minutes after the break when a Mitch Clark header bounced down off the crossbar and in off Diamonds' Alex Collard. Then on 73 minutes, Danny Glover made it 2-0 with a fine curling effort past Dean Snedker..

Peterborough Sports suffered a 2-1 defeat at Lowestoft Town, who brought an end to a four-game run without a win which lifted them off the bottom of the table. The Turbines got off to a great start as Josh McCammon fired home from the edge of the area. But the Trawlerboys were back on terms after 21 minutes when Marcus Wilkinson's corner curled straight in then, 2 minutes into first-half injury-time, Jake Reed headed Lowestoft in front from a free-kick.

Today's visitors Alvechurch lost 2-0 at Lye Meadow to Nuneaton Borough, who are now 17th. The visitors took an early 7th minute lead with a Jaden Charles header and then doubled their advantage 10 minutes from time when Anthony Dwyer's headed bounced off the ground and into the top corner.

Seventh-placed Leiston had the chance to pull back to within a point of the top five – only to go down to a 2-1 defeat at Westwood Road against St Ives Town. Nabil Shariff put the Saints ahead in the first minute of stoppage time, that looked like being enough. But the referee played on and 3 minutes later, Jake Hutchings fired Leiston back on level terms - only for Callum Milne to head the winner for St Ives in the 96th minute!

PSO Installations - contact Phillip Oliver - Tel 07581460293
and on **Sat. 23rd April v St Ives Town**

Payments

- ⇒ Standing order via your bank (preferred method)
- ⇒ Private donations by cash or cheque.

All monies are overseen by a committee of six members who will have the final decision on the release of any money to TFC..

Good afternoon everyone and it's good to be with you here on the Supporters Club page.

We would like to welcome the travelling Alvechurch fans to The Lamb and we hope they enjoy their afternoon with us, but we hope that The Lambs can get back to winning ways too!

The Supporters Club would like to put our thanks on record on behalf of all of our members and Tamworth fans in general for the work Gary Smith has done for the club while in a managerial position over the past three years. We wish him all the very best in what he does next but there is one thing we can say and that is that Gary will always be a Lambs Legend.

We have not put been as busy as we would have liked for some time mainly due to the covid pandemic and we trust that you and your family are all well.

If you haven't been directly affected by the virus, we are sure that you will know some that has so please continue to look out for your fellow fan's, friends and neighbours wellbeing's where you can, as we come back together as one big family once again.

We are looking at holding a Supporters Club committee meeting very soon and after that you will be the first to hear what we have discussed about coaches to the remaining games of the season, forthcoming events and our 2022 AGM.

We hope you will be able to join us at the AGM and we will be looking to our members to help keep the supporters club thriving as an ongoing member, or perhaps by joining as a committee member. More details on that will come in due course.

Until next time take care and stay safe, enjoy the game and please keep up with your fantastic support of the Football Club and the Supporters Club.

The TFCSC Committee

Chair: Scott Farrington

Vice Chair: Graeme Phipps
