2021-22 season - Matchday 39

We offer everyone a very warm welcome to the CR MOT Centre Community Stadium at the Lamb for today's game against Barwell. In particular we extend a welcome to our visitors from Kirkby Road - the players, supporters and officials and trust they enjoy the hospitality offered to them at the Lamb today.

Tamworth had the privilege of being the first team to play a competitive game on Barwell's new 3G surface back in November and since then fortunes have somewhat changed. While Barwell have seen improved form it has been the opposite for the Lambs and today sees another crucial game in our quest to move away from the wrong end of the table. A quirk of today's game is that it will see Barwell play their first away league fixture since 20 November when they visited Bromsgrove Sporting - all their games from the start of the season were played away from home before their pitch was ready to use.

Today is a special day as we give a very warm welcome to our new Manager and his coaching team. Andy Peaks joined us from AFC Rushden and Diamonds just over a week ago and today is his first game in charge after the disappointment of the postponement at Leiston last Saturday. Andy had been in charge of Rushden since 2014 and had seen a lot of success including leading them to 5th place in the league this season. Ironically his last game in charge for the Diamonds was a 2 - 1 away win at today's visitors Barwell! We want to wish Andy and his coaching team of Neil Champelovier and Tom Chapman every success at the Lamb and let's hope they get off to a great start today with 3 points!

We would like to extend our thanks to Scott Rickards and Robbie Banks who took charge of the team on an interim basis for the game against Alvechurch and claimed a creditable draw in a much improved performance.

Following today's game we have a busy run of fixtures. On Monday evening (7.45) we travel to bottom of the table Hitchin town, followed by back to back home games - Bromsgrove Sporting (Sat 5 March) and Hednesford Town (Tue 8 March). Tickets for the home games will be available soon from our online ticket store. At the game against Bromsgrove Sporting Team Builder will be holding a bucket collection to raise important funds to support Andy with squad development. We thank everybody who contributes to this important part of the club development and for the hard work and dedication of the committee.

Tamworth Women are in action tomorrow at home with Coundon Court Ladies the visitors in a West Midlands Regional Women's Premier league fixture. Kick off is 2.00pm and admission is £3 adults with U16s and season ticket holders admitted free of charge. The Sponsors Lounge will be open for refreshments.

Enjoy today's game.

Peaks speaks

Andy Peaks (pictured below at The Lamb earlier this season whilst with his former club) leads his Lambs team out for the first time today against Barwell. It is a team he knows well having played them just a couple of weeks ago when he led out his AFC Rushden and Diamonds side; "Yes, it is bizarre that I face the same team in back-to-back games, in charge of two different teams. It does mean that myself and the coaching team know what Barwell all are about and have witnessed them so recently. "That's football for you!"

It will also be strange for Barwell as they will be playing their first away game for almost 3 months. "When I was there two weeks ago, they were saying that they felt as if they lived at Barwell, however, they will be familiar with the type of playing surface at the Lamb. "Perhaps it's a shame the game isn't on grass!! "However, they may not be used to playing in front of a large and noisy crowd which I am anticipating today. I know what the Lamb is like when the supporters are behind their team, and I hope that we give them something to shout about."

Andy has been at the club ten days now and he is thoroughly enjoying his time here. "I have been to made feel really welcome by everybody. "The facilities are fantastic, and I have made the right decision to move. "Although the game was called off last Saturday there were positives to be taken from it as it gave myself and the players a chance to bond and have a good time together on the long coach journey. "We had an in-house training game on Tuesday evening, and it highlighted some of the issues that we are facing. One of those issues is that there has been a large number of players coming in and out of the club recently and at times they are strangers playing together. I am learning quickly about them, and I will know a lot more once we have had some real games over the next couple of weeks. It may be small steps to start with, but I can see a lot of potential here."

"As a fan you want to see your team put a shift in. I want the supporters to see hunger, desire, hard work, passion and a determination to win football matches for me and the club. Supporters don't accept anything less than 100% and that's what I expect from my teams-starting today."

CLUB NEWS

WELCOME TO THE NEW BOSS!

When Andy Peaks took the hot seat a week ago last Tuesday he became the 52nd Lambs boss since our formation in 1933.

Interim bosses Scott Rickards and Robbie Banks have gone down in the history books for their week long, one game tenure and the report from their match in charge can be found later in the programme. That point against Alvechurch could prove vital!

Unfortunately, Andy and his assistant Neil Champelovier were unable to see their squad in action at Leiston, but it will have given them a couple of extra training sessions this week to get to know the players and prepare for this afternoon's tie.

Previously with Rushden and Diamonds, Andy joined us on an 18 month contract, with the task to ensure The Lambs survival in the Southern League Premier Division. Andy has a long footballing career both as a player and a manager starting his career at Northampton Town before going on to make over 200 appearances in 5 year at Nene Park with Rushden Town, who then became Rushden and Diamonds. He then featured for Raunds Town, Wealdstone and then enjoyed a five year spell at Stamford and after obtaining his coaching badges he joined Long Bucky and Daventry Town in assistant manager positions before taking the main role at Northampton Spencer.

Andy was coach at the Diamonds Academy until it's closure in 2011 and then became assistant manager at AFC Rushden and Diamonds.

The first season brought promotion and he took on the main role leading the side to UCL promotion in 2015 and further promotion to the Southern League Premier Central for the 2018-19 season, with continued and on-going season by season improvements as he guided the Diamonds into a Southern League Premier Central playoff position just over half way 2021-22 before his move to The Lamb.

LEISTON match postponed

Saturday's trip to Victory Road proved to be a pointless one in every sense of the word as Storm Eustice got the better of the weather and made the pitch unplayable, giving the match referee no option but to call the game off an hour before kick off. If you made the journey we would like to say a big thank you for your support, and hope that you will be able to make the rearranged fixture.

The game has been rearranged for Tuesday 15 March with a 7.45pm kick off. We appreciate this may be difficult for some fans, so don't forget that if you are unable to travel to the match or any game, home or away, you can keep up to date with all the action via LambsMedia on Twitter and Facebook and listen to full live coverage via the Mixl R

BELL returns to Aggborough

Striker Nyal Bell has returned to his parent club Kidderminster Harriers after a month's loan here at The Lamb. He made a total of 6 appearances and scored one goal, away at Leamington in the Birmingham Senior Cup, and would like to thank him for his time with us and wish him all the best for the rest of the season.

HEDNESFORD match rearranged

Our home game versus The Pitmen was postponed on New Years Day when an outbreak of Coronavirus in The Lambs camp, coupled with injuries, meant that it was not possible for us to have fulfilled the fixture as planned.. The new date for the local derby is Tuesday 08 March with a 7.45pm kick off.

THE CHANGING FACE OF THE LAMB

Since the start of last season there have been some big changes at the Lamb which you can't help but spot. The 9 ageing and second hand floodlight columns have been replaced by 4 brand new state of the art LED floodlight towers. The lights are brighter and cheaper to run, and with the facility to dim them, they are suitable for use in a number of different situations.

Another major change is the investment in the clubhouse, identifiable by the refurbished roof and a redeveloped internal space following considerable damage caused by the winter weather. All in all just over £250,000 has been invested in the ground with a substantial amount provided by grants from the Football Stadia Improvement Fund and the generosity of supporters and backers of the club.

Since 2016 the Lamb has moved from a facility that was used two nights a week and a Saturday afternoon to a seven-days-a-week all year-round operation. The club has grown from one competitive team to 25 teams ranging from under-7s to the first team. There is also a full-time scholarship programme for 60 students aged 16-19. A women's section has been introduced with junior and adult teams. As a result, Tamworth FC is now the largest multiteam football club in the area with our academy in a partnership with Derby County.

The Football Stadia Improvement Fund (FSIF) is the largest funder of non-league football in the country. The FSIF is the sister organisation of the Football Foundation and is solely funded by the Premier League. It is the country's largest provider of grants towards projects that help improve the comfort and safety of lower-league football grounds in both the professional and amateur game. These improvements range from new football stands and turnstiles to floodlighting and improved provision for disabled supporters.

We are grateful to the following supporters who have given generously to support the developments at the ground Mario Gouci, Gordan Hargrave, Martin Leckie, Jim McCarthy, Tom Pegg, Jack Smith and Andrew Turland.

TODAY'S VISITORS

The Club played for the first time in the Midland Combination under the name of Barwell FC in the 1992/3 season when Barwell Athletic from the Leicestershire Senior League joined forces with Hinckley FC. The full history of Barwell FC since can be found on their website but we pick up the story in the 2015/2016 season.

This season was most notable for Barwell reaching the 1st Round proper of the FA Cup where they went out at home to Welling United of Step 1 - a game where the highlights were shown on the BBC on Match of the Day. In the league, Barwell finished very well in 9th position.

2016/2017

A poor start to the League saw Barwell finish 14th at the end of the season. Poor FA Cup and Trophy results saw quite a disappointing season. The highlight was winning the Leicestershire Challenge Cup at The King Power Stadium beating our neighbours Coalville Town.

2017/2018

Barwell finished 10th in the Northern Premier League. This was not a season with much to shout about in the cup competitions with exits from the FA Cup in the 2nd Qualifying Round at AFC Telford and in the FA Trophy at home in the same round to Mildenhall Town.

2018/2019

Barwell were moved to the newly created Central Premier Division of the Southern League.

Jimmy Ginnelly left the post as Barwell manager to join Nuneaton Borough and his assistant, Guy Hadland, was put in caretaker charge. Over a busy Christmas period Guy did enough to secure the job on a full time basis. Barwell finished the season in 16th place and also managed to reach the FA Trophy 1st round proper, going out at Spennymoor Town.

2019/2020

The season that never was! Guy Hadland continued as manager and was looking forward to his first full season as manager. Barwell were on a good run when the season was brought to an abrupt end due to the Covid-19 pandemic.

Their final game was a 4-1 win away at Bromsgrove Sporting and this placed them 12th. Barwell made the final of the Leicestershire Challenge Cup but the final, against Anstey Nomads, was never played. Brady Hickey and Tolani Omotola finished as top scorers.

2020/2021

Another season that ended early due to Covid-19. Only 10 games were possible in the league, FA Cup and FA Trophy before the effects of the pandemic were once again felt across the football world. During the winter months and into early 2021, Barwell FC put together a successful bid for grants to put in an artificial pitch. This funding, along with money raised from local people and the fabulous supporters, saw the work start on 19th July 2021. A new dawn was coming for Barwell FC and the village of Barwell.

WE'VE MET BEFORE!

The playing record between our two sides is P6 W5 D0 L1 F12 A5 not including a couple of friendlies in recent years. The last time we met, earlier this season was the first competitive fixture on The Canaries new 3G surface and we came away with a last minute 1-0 victory thanks to a close range finish from Tyrell Waite.

The two sides lined up as follows;

Barwell: Castle, Stabana, Percival (Nisevic 77), Pep-Ngoma, Brown, Edjenguele,

Bower, Brown-Hill, Dunkley, Hickey (c.), Stephens

Subs: Browne, Oulton, Powell, Warren YC: Brown-Hill 67

Tamworth: Singh, Yeomans (Forde 60), Wilder, Beswick (c.), Pendley, Cox,

McDonald, Shaw, Taylor (Jones 60), Thomas, Waite

Subs: Riley, Tait, Cockerill-Mollett YC: Yeomans 33

STORMS Dudley, Eunice and Franklin may have proved profitable for, say, fencers or roofers but certainly not for cash-strapped Non-League football clubs. Five full days of heavy rain, high winds and even snow left Britain battered and bruised last week with a trial of destruction in its wake. Naturally, the fixture list was decimated up and down the country, while some clubs were left counting the cost of extensive damage caused to grounds and clubhouses.

Perhaps the hardest hit, once again, were Tadcaster Albion. For the fourth time in seven years, the adjacent River Wharfe burst its banks with such ferocity that it took down most of the steel barrier on the far side of the Brewers' Ings Lane ground, opening the floodgates for around 1.5 metres of water. This comes as a huge kick in the teeth for the North Yorkshire club who have played an integral part in the town's Tadcaster Flood Alleviation Scheme which was formed following the devastation of the floods in 2015. The clubhouse at Ings Lane was raised to prevent a repeat and that seemed to do the trick when floods struck again in 2020 and 2021. Not this time though with water ingress expected through the floorboards. As a result, Taddy are now back in limbo with the Environment Agency yet to sanction vital repair works before their next home game against Stocksbridge Park Steels on March 5. Another club who suffered a repeat deluge were Barton Rovers, who were hit by the effects of a major storm for the second time in five years. In February 2017, the Southern League Division One Central side's Sharpenhoe Road home was battered by Storm Doris which sent a floodlight pylon crashing through the main stand, leaving Barton with a £9,000 repair bill. Last Friday, Storm Eunice blew the stand down again along with the club's TV tower. It is estimated that repairs this time round could cost the club around £20,000.

Basford United's Greenwich Avenue stadium suffered extensive wind damage last Friday, leaving them with an estimated repair bill of £10,000. Stands and turnstiles were damaged, with one roof destroyed, while exterior fences came down and gas, electricity and water supplies were disrupted.

Perhaps the most harrowing sight of the weekend was the metal roof of the stand at Pagham FC being wrapped around a parked van in a nearby road with the entire structure ripped from its hinges. Trees at Egham Town's Runnymede Stadium were felled and a stand destroyed, causing the postponement of their home game against Southall, while the away team's dugout at Hartley Wintney flipped over the pitchside hoardings and onto its roof as their Green Lane ground was also hit. Meanwhile, Potters Bar Town have set up a GoFundMe page in order to help the club meet ground grading regulations, following extensive storm damage. A similar fundraising effort in March 2019 raised £5,000 towards the £50,000 improvement costs as the club just about made the deadline to maintain their Step 3 status. But 70pmh winds on Friday blew one of the new stands completely on its back, causing much damage, as well as to the Water Irrigation Canons, the Home Dugout and a Storage Unit. "Today, as a Community Club, we encourage the youth and contribute to the good health and comfort of those watching," chairman Peter Waller said.

"With more than 50 years at the club, we are devastated, after all the effort that went in three years ago. We can raise some of the cost, but we need to ask for help. Please support us if you can."

All this acts as a timely reminder as to the challenges that exist when running a Non-League football club and just how vulnerable they can be. In times like this, communities are at their strongest, rallying together in support of a vital asset. It shows nothing should ever be taken for granted.

LEISTON P - P TAMWORTH

SAT 19 FEB - SOUTHERN LEAGUE PREMIER CENTRAL

Last weekend should have been Matchday 39 and the first chance for Andy to see his new squad in action, but Storm Eustice put paid to our game at Victory Road just an hour before kick off and while The Lambs ended up having a wasted journey in terms of playing football, it did give the squad some time to bond in the clubhouse thanks to the hospitality shown by our hosts on the day. Here's how things panned out on the Leiston Twitter account in the 24 hours before the game was postponed.

Leiston FC @leistonfc · Feb 18

There will be a pitch inspection at 8am tomorrow morning to see if the match between the Blues and @tamworthfc can go ahead.

Leiston FC @leistonfc · Feb 19

Today's match at home to @tamworthfc is ON after an early morning pitch inspection.

At the time of going to press, you could still download the matchday programme for the game here - https://t.co/iP9ewqTc9K

Leiston FC @leistonfc · Feb 19

The match referee has now called today's match OFF against @tamworthfc after a torrential downpour of rain. The game will be re-arranged in the next few weeks.

TAMWORTH 1 - 1 ALVECHURCH

SAT 12 FEB - SOUTHERN LEAGUE PREMIER CENTRAL

Matchday 38:

After the defeat to Stourbridge on 05 Feb heralded managerial departures at The Lamb, Tamworth FC Academy coaches Scott Rickards and Robbie Banks lead the side out as interim managers against Alvechurch at the CR MOT Community Stadium.

Of course, Scott Rickards is name not unknown to Lambs fans having plied his trade at the club as a youngster in the

early 2000s, featuring in the FA Trophy Final side that took the club to Villa Park and with interviews proceeding in the background to find a permanent replacement, the duo of Banks and Rickards were under no pressure against the 5th placed visitors.

It was the 18th time the two sides had met with The Lambs holding the edge having won 10 of the previous 17 encounters to the visitors 5, with 33 goals for and 16 goals against since the first meeting in 1978. Alvechurch won the away league fixture at Lye Meadow 2-1 in early December, but the Lambs would hoping for a repeat of the 3-1 FA Cup victory recorded in early September.

The Lambs squad were without a few faces through injury - Alex Jones, Dan Bradley, Ben Hart, and Jordaan Brown. Meanwhile Ahmed Obeng had chosen to leave the club and Lucas Yeomans was out on trial at a Football League club.

So, after a couple of intensive and productive midweek training sessions, there were six changes to the starting eleven that ran out at the War Memorial Athletic Ground including a full debut for Shaq Whittingham.

Alvechurch got the game underway with Tamworth attacking the Meadow Street End in the first half.

And it was The Lambs who had the first shot on target through McKeown's powerful low strike at former Lambs keeper Jezeph, who parried the effort away.

Creaney received the ball via a pinpoint threaded pass from Beswick on 7, but the offside flag denied him a goalscoring opportunity, and McKeown was halted on the edge of the area after a strong solo run to the edge of the box on 10.

Hallahan was able to set up a freekick oh the right on 12 but Tamworth defended strongly and countered, with the ball falling to McKeown again on the right and he attempted a long range lob of Jezeph that dropped just past the far post.

Hurst made light work down the right and smashed a right footed shot into the side netting on 15 as Tamworth continued to look the better side.

Alvechurch applied themselves a little more than in the first 15 minutes and frustrated The Lambs for the next 10 minutes, and on 24 Hallanah struck from distance but cleared the target before McKeown could get treatment on the field for an injury that hadn't required the referee to stop play.

When play restarted Cockeriill-Mollett nearly opened the scoring with a right footed strike from the edge of the box that saw Jezeph in full flight as it whistled past his far post, and McKeown was unable to continue, so Tamworth made a change – bringing Walters into the game.

The stalemate continued as the minutes ticked by and on 40, Alvechurch forced a corner on the right which they played short and Forde put it behind for another which fell to one time Lamb Carter who half volleyed over the crossbar.

At the other end, Tamworth forced a right sided flagkick on 42 which Beswick took and it came out to Cockerill-Mollett but his volley from the ball dropping on high was wayward. Alvechurch's Hurst whipped the ball dangerously across the six yard box as three minutes added time was shown at the end of the half.

Mansell needed treatment for a blood injury off the field as the seconds ticked away and after he returned to the field, there was just enough time for a visitors corner on the right which caused some problems in the box before the referee blew the whistle.

As the floodlights came on and the cold wind continued to bite Tamworth restarted proceedings but it was Alvechurch who had the first attempt on 47 when McLintock curled a shot form the left of the box towards the top right corner and forced Singh into a one handed save.

Whittingham tried to get a cross in from the right on 49 but it was blocked for a corner and Jezeph eventually got the ball into his hands from a Hurst ball back into the area.

On 54, Hallahan whipped the ball into the box and Nesbitt headed it towards goal bringing a save from Singh, who tipped it over the bar for a corner and The Lambs defence cleared the danger from the flagkick.

Wilder was booked for pulling back Hallahan as he advanced over the halfway line on 57 and there was more blocking, but from an Alvechurch perspective when Hurst floated the all into the box for Creaney to loop a head for Whittingham but his finish at the near post was blocked by Jezeph. The corner was half cleared as far as Walters, and his driven on target liw shot was blocked and cleared.

However, the visitors took the lead on 64 when Hurst was unable to track back, leaving Clayton-Phillips time and space to attack the Lambs right back position and pull it back for McLintock to rifle home from 18 yards (0-1, 64 mins)

It looked like Creaney had been brought down in the opposition box on 67 but the referee was having none of it and play continued despite shouts otherwise.

Mansell found space on the right of the box on 73 and shot over Singh's goal with a right footed effort, before Forde was booked.

Both sides made a change for the final 15 or so minutes and both sides tried to push on, with Tamworth shading it on possession and ball in the opposition half, until a stop in play was necessary when Cox took a blow to the head and needed treatment before returning to the pitch.

Tahra was subjected to a lot of shirt pulling in front of the shed on 83 and awarded a freekick against the Alvechurch players, as The Lambs continued to battle and push on but a ball in from Whittingham was headed away.

A teasing run and cross from Whittingham forced a left sided corner when the Alvechurch defence put it behind just wide of the far post on 89.

And The Lambs continued to press into added time and when the ball came to Clement from a short freekick around 20 yards out he struck sweetly past Jezeph to level the tie (1-1, 92 mins)

There was just time for Hallahan tried a low shot at

Singh in the final seconds before the final whistle blew on a deserved point for the team and the interim bosses.

NON LEAGUE ROUND-UP

with Mark Maybury

A Look Back at the Weekend and Midweek League Action

For all the arguments about 3G pitches, they came into their own on Saturday when the only games to survive the weather were played on the artificial surface! They were at Rushall Olympic and today's visitors Barwell.

The Pics` had a 4-1 win over Needham Market which moved them up to second spot in the table, albeit 14 points behind leaders Banbury United. The wind caused an issue as the game progressed but the crowd of 322 saw the hosts break the deadlock on the half-hour mark via Sam Whittall's far post header. Eleven minutes later, Rushall doubled their advantage when Whittall was put through for his second goal of the game. However, 2 minutes later, the visitors got themselves back into the game when Ben Fowkes fired past Tom Palmer. Nine minutes into the second period, Liam McDonald's side went 3-1 ahead with a fine finish from Alex Moore. Then 4 minutes later, the Pics added a fourth when a wind-assisted Palmer clearance bounced all the way into the opposition box and was eventually finished by Callum Coyle.

At the home of Barwell, Alvechurch were looking to return to the top five with a win at mid-table Barwell. They got off to a great start when Tyrell Skeen-Hamilton slotted past Max Bramley after just 7 minutes. Although the visitors had the lion's` share of the opening 45 minutes, they were unable to add to that early effort. A much improved Barwell grabbed an equaliser just 6 minutes into the second half when former Lamb Tristan Dunkley hit home a cross-shot into the far corner of the net.

On Tuesday evening the game between Leiston and Bromsgrove Sporting fell foul to the weather, however 2 other games went ahead as planned.

Hednesford Town, who visit the Lamb on 8 March, missed an opportunity to head back towards play-off contention when they were beaten 1-0 by a Stratford Town side who are now level on points with the Pitmen and a place behind them in tenth. The Bards started well, with the experienced Leroy Lita causing the visitors problems. But the Pitmen gradually got themselves back into the game and home keeper Liam O'Brien was called upon to make one or two decent saves to keep the scoreline blank at the break. Stratford broke the deadlock with a terrific strike from 25 yards in the 72nd min by Ashley Sammons and this proved to be the winner.

NON LEAGUE ROUND-UP

with Mark Maybury

In the evening's other game, St Ives Town shared a 1-1 draw with Needham Market. It was the visiting Marketmen who began the match on the front foot and home keeper Eddie Brearey had to be alert to prevent Luke Ingram from opening the scoring. However, against the run of play, the Saints took the lead 3 minutes before half-time when Edmund Hottor took a touch just inside the area before firing past Marcus Garnham. It wasn't until the 87th when Tyler Clark saw his shot loop past the keeper off a defender to earn the visitors a point.

News From Around the Clubs

Steve Castle, manager of Royston Town, has brought in winger Yasin Arai following a short spell with Southern Premier Division South side Hendon. The 19 years old had only joined the Greens in January 2022 from league rivals Kings Langley, where he had been since August 2021. The youngster had been at League Two Stevenage since the age of 11 and broke into the first-team squad in 2020/21. He was named as one of the country's stand out academy players in 2020. The right-back turned forward was a regular for the under-18s and featured with the reserves in the County Cup.

Defender Riccardo Calder has re-joined Rushall Olympic. The 26 years old had only left the Pics to sign for Kettering Town in August 2021. He had originally joined the Pics in August 2020 from Southern Premier Division Central rivals Nuneaton Borough, where he had been since January 2020. He was originally part of the Aston Villa under-19's team which won the 2012/13 NextGen Series, beating Chelsea in the final of the competition. Whilst on Villa's books he had loan spells with Dundee, Doncaster Rovers where, in two spells, he made 23 appearances, and Lincoln City.

Alvechurch have signed defensive midfielder Tom Solanke from Vanarama National League side Weymouth. The 20 years old, who has caps for England at under-15 and under-16 level, had only joined the Terras in December from Church's league rivals Stourbridge and after an unsuccessful trial with League Two side Port Vale. Solanke had signed for the Glassboys in early September 2021 after being released by Championship side West Bromwich Albion.
